Coleman-Mach

Ceiling Assemblies & Run Capacitors

Heat-Ready Ducted Ceiling Assy.

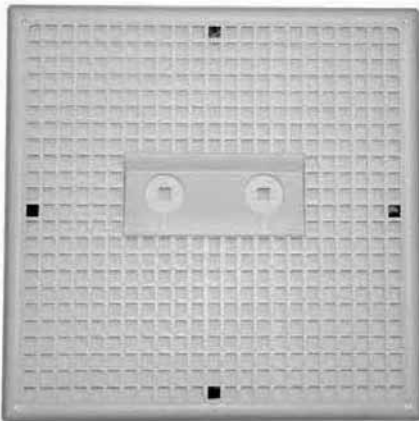

The Coleman Mach 8330D735 Heat Ready Ceiling Assembly looks great with your Coleman Mach Air Conditioner. **This assembly can only be used with lateral ducted RV air conditioners.**

- Great for use in updated RVs.
- This is a heat-ready ceiling assembly, the electric heat kit can be added to it.
- Can be used with Coleman Mach 8 (non-Heat Pump).

Part No. 8330D735

Heat-Ready Ducted Ceiling Assy., White

Cool-Only Manual Control Ducted Ceiling Assy.

The Coleman Mach 8330-763 MCD (Manual Control Ducted) Ceiling Assembly (Cool-only, White) is used when there is no 12VDC or no place to put a thermostat.

Part No. 8330-763

Cool-Only Manual Control Ducted Ceiling Assy., White
